## R & D UNIT:-

SEWA has its own R & D (Research & Development ) unit namely " SHREE HERBS", where we do many researches in EH. and other Indian plants. We are preparing miraculous EH Spagyric products by the method of Cohobation as per Ancient Alchemy.

We engaged ourselves in the research & development in Electrohomeopathy by preparing EH crude Spagyric Essences, Dilutions and potencies, syrups, Tablets, Physician drops, Capsules, Cosmetic products etc. We are the only Research center in India who prepares a wide range of I. M. Injections & I.V.Salines and are using by many EH physicians successfully.

We have developed a variety of products for physiotherapy, medicine science, anti bacterial, hematology, neurology, hepatology. Products have affiliation of IGMP, ISO test certificates.

**A modern approach of development of electrohomeopathy**
